General Connection Information

CEDS elements are shown CEDS elements are shown in ***bold/italicized*** font.

This metric is part of the Education-to-Workforce (E-W) Indicator Framework, specifically "E-W system conditions" which pertain to institutional or systemic environments, policies, and practices within E-W systems that support positive E-W outcomes.?

This metric (*Percentage of eligible families receiving assistance to pay for child care through subsidies),* is a measurement for a key indicator, "*Access to child care subsidies,*" and measures whether eligible families are receiving assistance to pay for child care through subsidies.

Metric

Percentage of eligible families receiving assistance to pay for child care through subsidies

Use the following CEDS elements to identify the school year:
- ***Early Learning Program Year*** = most recent school year, representing July 1 through June 30

Use the following CEDS elements to determine the universe of families:
- Pull all families which is determined by using a unique ***Family Identifier***

Where the family:
- is associated with an organization through the ***Organization Identifier*** where ***Organization Identification System*** = SEA
- is associated with a family member through the ***Person Identifier*** where ***Person Identification System*** = School and ***Person Relationship Type*** = Family Member

From the universe of families, narrow the list to families who are eligible for childcare using the following CEDS elements:
- ***Early Learning Program Eligibility Category*** = Family Income
- ***Early Learning Program Eligibility Status*** = Eligible
- ***Early Learning Program Eligibility Date*** ≤ July 1 of the early learning program year being reported
- ***Early Learning Program Eligibility Expiration Date*** > June 30 of the early learning program year being reported
- ***Early Learning Federal Funding Type*** = Office of Child Care-CCDF

Calculation Instructions
- Count the total number of families.
- Count the total number of families who are eligible for childcare through subsidies.
- Divide the total number of families who are eligible for childcare through subsidies by the total number of families and multiply by 100.
